

THE ONE AND ONLY  
**5-STAR LUXURY**  
**CONFINEMENT**  
**CENTRE**

**LYC Mother & Child Centre** is a five-star luxury confinement care centre located in Taman Tun Dr. Ismail, Kuala Lumpur. The 33-bedroom care centre occupies 2 floors at the podium block in Plaza VADS.

The centre will primarily feature confinement care, which is a traditional postnatal practice aimed at helping new mothers recover from the rigours of pregnancy, labour and birth. Mental & physical health is of utmost importance, especially for first time mothers as they enter a new era in their lives.

**Our dedicated** and highly professional team will look after mothers and their babies during their first postpartum month. We provide exclusive care and psychological support with the aim of ensuring that the mother is healthy and is equipped with all the information she needs about breastfeeding, reproductive health and the imminent life adjustments.

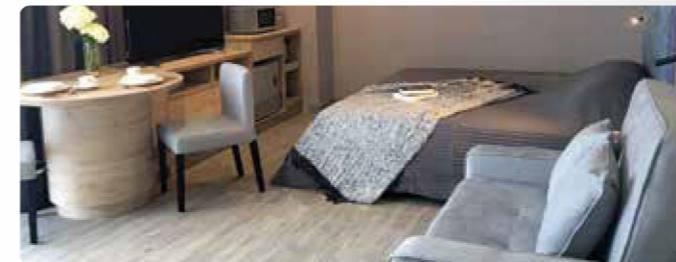

**We provide** quiet and spacious suites which includes all the features and amenities similar to that of a five-star hotel. Our aim is to combine comfort with a touch of luxury you so deserve to make those first days with a newborn as restful, joyful and nurturing for you and your family.

Your bundle of joy and your total wellbeing is our utmost priority. Rest assured you have made the right choice with us for the best confinement care.
